Tuesday August 18th 2020
Time: 4:30pm
Age/Grade: K-5
(younger grades are suggested to have parental assistance)

Registration will begin on Monday, August 10th

Virtual Program
*We will be using the Zoom meeting platform, which can be viewed on a PC, Mac, Smartphone or tablet (using the Zoom Cloud Meeting App). The Zoom login information will be emailed to you the day before the program.

This hands-on session will explore the magic of bubbles! Explore bubbly mysteries, such as why are bubbles always round? Build some spectacular bubble wands & perform some magic bubble tricks!

*The material list is located on the website and will also be emailed the day before the program.
