June 18, 2020

Dear Hillside Library Patrons,

I hope that this message finds both you and your families safe & healthy.

On behalf of the Library Board of Trustees, I want to thank all of you who voted to pass the library’s 2020-2021 Budget. Please know that the passage of this year’s budget, will help allow the library to continue its commitment to service to our community and patrons.

While the Hillside Public Library building remains closed to the public, beginning June 29, 2020, library staff will begin to offer curbside pickup for library books. As we begin this new curbside service, pickup appointment windows will be limited; we expect days and time slots to be increased over the next few weeks.
Click HERE for instructions on this new curbside pickup service. (http://hillsidelibrary.info/eventkeeper/curbside_june2020.pdf)

Please continue to register for and attend Hillside’s virtual programming and be on the look out for exciting programs based on this year’s NYS Summer Reading theme, “Imagine Your Story”.

Beginning this week, the Children’s Room has partnered with the crew at Page Turners to offer fun and exciting online programming. Visit the library’s Facebook page for more information and to join this group. New videos and materials will be uploaded weekly throughout the summer. The Children’s Room staff are also planning virtual reading clubs and lots of virtual programming for all ages.

Adult readers are encouraged to register for this year’s Adult Summer Reading Program. Register and participate on June 29 during the Adult Summer Reading Kickoff Party. The more books you read and the more programs you attend, the more fun raffle prizes you’ll be eligible to win at the end of the summer.

Thank you for your continued support; stay healthy & safe, support our local businesses, and support our brave first responders, healthcare workers and essential workers.

Sincerely,

Charlene Noll
Director, Hillside Public Library
